

let them know you want gDiapers

Your guests will appreciate knowing that you want your baby to be earth smart from the start. Print a gDiapers baby shower insert and slip them inside your shower invitations. We think they print best in color on card stock. To fit 4 inserts per 8 ½ x 11 sheet you'll want to have your page setup on landscape. Then snip and tuck inside your invitations. Voila.

gDiapers.
The best of cloth
and disposable in one
earth-friendly diaper.

**I have 6000 diaper changes in my future.
Please make them gDiapers.**
